# ST. JOHN'S EPISCOPAL CHURCH Wedding Ceremony

WWW.STJOHNOHIO.ORG

## Ceremony

Celebrate a love that will stand the test of time in the beautiful sanctuary of *St. John's Episcopal Church*.

Dedicated in 1898 and consecrated in 1900, our iconic stone interior is an example of the Arts & Crafts Movement of the late 1800s and contains over a dozen beautiful, handcrafted, stained glass windows, arches throughout the Nave, and a pipe organ to accompany your walk down the aisle.

*Seating for 200 guests*

## Reception

On the third floor of our Parish House, your guests can be welcomed to *The Great Hall* to share a meal and celebrate your marriage.

High, vaulted ceilings and large windows along the perimeter give views to the surrounding city. A large stage for live music or your DJ would be great for dancing to your favorite songs. A full commercial kitchen can be used by your caterer to prepare your reception dinner.

*Seating for 150 guests at round tables.*
